

**TELANGANA STATE BOARD OF INTERMEDIATE EDUCATION
VIDYA BHAVAN, NAMPALLY, HYDERABAD**

Rc.No. 13416/E2/2016-17

Date:28-04-2016.

To
All the Managements of Private Un-Aided
Junior Colleges in the State.

Sir/Madam,

Sub: TSBIE – Academic – Installation of CC Cameras and Bio Metric systems
at the Junior Colleges – Instructions issued – Reg.

All the Managements of Private Un-Aided Junior Colleges are hereby instructed that, as per Government instructions, all the college managements should install Closed Circuit Cameras (CCTV) in class rooms and to implement Bio-Metric system in recording the attendance of the students. These CCTV & Bio-metric are useful for effective monitoring of classes and education in colleges. This will also help to check any irregularities i.e., students irregular in attendance, punctuality of students and teachers etc.

It is further informed that, the college managements can effectively monitor the class room attendance, quality of teaching by the lecturers, completion of syllabus in time, instilling discipline, punctuality, improving performance of the students in the class rooms and thereby increasing the Telangana State Board of Intermediate Public Examinations results of the college. Implementation of the Bio-Metric system in maintaining the attendance of the students and the staff members will also help in improving the quality of education in the colleges and maintenance of educational standards.

Therefore, you are hereby informed to install the CC Cameras & Bio-Metric Systems in your college premises by 25-05-2016 and submit the copy of the Successful Installation Certificate (SIC) to the concerned RIOs, failing which renewal of affiliation and admission login will not be given to the college.

Yours faithfully
Sd/- Dr. A. Ashok, I.A.S.,
SECRETARY

Copy to
All the RIOs in the State.
