It is to inform that, during the Academic Year 2021-22 Private Junior Colleges with Mixed Occupancy Buildings were permitted as a special case in view of COVID (as per reference 1st & 2nd cited) and on submission of undertaking stating that the Management will Shift the College in to other suitable building with proper Fire No Objection Certificate for the next Academic Year 2022-23.

Therefore, it is once again informed to the Managements of above Private Junior Colleges with Mixed Occupancy Buildings; Fire No Objection Certificate from the competent authority is mandatory to get the Provisional Affiliation for the Academic Year 2022-23.

Hence, it is hereby instructed that the Managements of above Private Junior Colleges should procure proper Fire No Objection Certificate from the competent authority and otherwise shift the College in to other nearby suitable building (Building should comply with Fire norms) by taking prior permission from the Telangana State Board of Intermediate Education, Hyderabad for the Academic Year 2022-23. If both are not possible shift the existing students to other affiliated Junior Colleges as per the norms; as there is no educational activity in existing mixed occupancy buildings without Fire NOC.

Further, all District Officers of TSBIE are instructed to strictly comply with above instructions without fail.
